SPONSORED RIDE AND STRIDE**LIST OF OPEN CHURCHES and INSTRUCTIONS FOR CYCLISTS/WALKERS**

This list shows all the churches in Northamptonshire taking part in this year's sponsored Ride and Stride and you can also go into other counties – see below. The churches are listed by Deanery so make sure you look at other Deaneries adjacent to yours. Sponsorship can be based on the number of churches visited or can be a lump sum. Plan a route visiting as many churches as you wish, either on your own or with friends. Some parishes plan a group event, others leave it to individuals. The latest list of open churches and other forms are on the web site www.nhct.org.uk

Churches marked with an asterisk (*) in the list are open between 10am and 6pm on Saturday 13th September 2008 (unless indicated otherwise) and have people waiting to welcome you and maybe offer you some refreshments. Please try to include as many of these churches as possible in your route so they have lots of visitors to keep them from being bored. Some churches have special events happening and these are also mentioned where we have been informed of this. Other churches have a Register left for you to complete, either outside, or inside if the church is open but not manned. Some of these churches may also leave drinks out for you to help yourself.

Before the day, obtain sponsorship, either per church you intend to visit or a lump sum, from friends, colleagues and neighbours. Ask them to consider, if they are taxpayers, filling in the Gift Aid section (clear house number or name, postcode, signature and date) which means their sponsorship money will have another 25% added to it by the HM Revenue and Customs.

At each church you visit, make sure you put your name, home village/town and name of church if room, and the time on the Register. Your sponsor form will be signed by the person manning the church; if no-one is there, fill in your own or get your friend to sign it.

After the event, collect your sponsorship money and hand it, with the sponsorship form to your Local Organiser who gave you the form, this list etc. The money collected is divided equally between the Northamptonshire Historic Churches Trust and the church or chapel of your choice.

Please cycle responsibly and carefully. We strongly recommend you study all the relevant sections of the Highway Code. Walkers, please avoid walking in the road if possible: if not, take great care when walking on or crossing roads.

INSURANCE LIABILITY

The county Trust accepts no liability in respect of death or injury sustained by any participant or damage to property. If a participant wishes to have personal liability insurance, he/she must make their own arrangements. There is in place a general insurance policy to indemnify all Trusts against such claims.
